

TinyScreen Basic Kit - ASK1005

tinycircuits.com/collections/kits/products/tinyscreen-basic-kit

DESCRIPTION

This **TinyScreen Basic Kit** has the bare essentials to get going with the TinyDuino with the OLED **TinyScreen!**

This kit comes with a TinyDuino processor with lithium battery support, so you can run your projects off a battery. You can also power your TinyDuino with a USB cable plugged in.

This kit includes the following items:

This kit also includes basic instructions to get your first program running.
