

BU-P3791

(Male BNC Connector for RG-58/U with Strain Relief)

- The BU-P3791 is a male BNC connector with molded strain relief sized for use with RG-58/U coaxial cables.
- Overall length 2.8" (71.12mm) (includes strain relief)
- The connector is installed by crimping the conductor to the center pin and crimping the shield to the body.
- Material:

Body	Nickel-plated brass, tarnish-resistant
Contact	Gold-plated brass
Insulator	PTFE
Strain relief	Flexible PVC
- Ratings:

Impedance	50 Ohms
Temperature	-50°C (-58°F) to 170°C (338°F)
- RoHS 3 compliant
