¼" TS and TRS Jacks

The easiest way to create
custom I/O panels and wall plates

Compatible with Switchcraft®
QGPK Series rack panels and
WP Series wall plates

All connectors fit into a standard
XLR panel cutout

Available in black or
nickel finishes

Custom combinations of
EH Series connectors can
be quickly loaded into any of
our 1RU (1x16), 1.5RU
(1x16), or 2RU (2x16)
QGPK Series panels

Available individually or bagged
with mounting screws

The EH Series is an extensive line of panel mount audio,
video and data connectors used to create custom I/O
panels and wall plates for A/V, pro audio, broadcast, mobile
production and post production installations.

WP SERIES WALL PLATES

WP Series wall plates are the perfect solution for anyone requiring custom connector configurations on standard size wall plates. Options include single and double gang with 0, 1, 2, and 4 connector holes. Plates are available in brushed stainless steel or anodized black aluminum and with standard or tapped 4-40 connector mounting holes. Tapped mounting holes allow connectors to be screwed directly into the plate without the use of a nut (front mount only).

Part Number	Gang Size	Finish	EH Connector Holes	Connector Mounting Hole
WP1S	1	Stainless Steel	0	None
WP1S1	1	Stainless Steel	1	Ø0.138
WP1S1P	1	Stainless Steel	1	#4–40 Thread
WP1B1	1	Black Aluminum	1	Ø0.138
WP1B1P	1	Black Aluminum	1	#4–40 Thread
WP1S2	1	Stainless Steel	2	Ø0.138
WP1S2P	1	Stainless Steel	2	#4–40 Thread
WP1B2	1	Black Aluminum	2	Ø0.138

WP2B4	2	Black Aluminum	4	Ø0.138
WP2B4P	2	Black Aluminum	4	#4–40 Thread

Q-G® PANEL OPTIONS

NEW OPTION

Pre-loaded Q-G® Panels

New QGPK rack panels come pre-loaded with three configurations of the new premium Switchcraft DE-series XLR connectors. These three new panels sets provide a one-stop option for installers and sound contractors requiring fast access to all XLR panels. Panels still have tie bars to keep the back of the rack clean and dressed.

Pre-loaded Q-G® Panels	Rack Height	Connectors	Color
QGPK1DE16FB	1	16 New DE Series Female XLR Connectors	Black
QGPK1DE16MB	1	16 New DE Series Male XLR Connectors	Black
QGPK1DE8M8FB	1	8 New DE Series Male and 8 New DE Series Female XLR Connectors	Black

Hinged Q-G® Panel

NEW OPTION

The new QGPK1BF1 is a standard 16 knockout Q-G panel ready to load with needed EH connectors. However, this new model is hinged so all connections can be accessed easily from the front of the rack. Because of this configuration and being able to swing open the QGPK1BF1 does not have a tie-bar in the rear.

EMPTY Q-G® PANELS

QGPK1B440

Empty Q-G® Rack Panels	Rack Height	Number of Knockouts	Tapped 4-40 Holes
QGPK1B	1RU	1X16	NO
QGPK1B440	1RU	1X16	YES
QGPK2B	1.5RU	1X16	NO
QGPK2B440	1.5RU	1X16	YES
QGPK3B	2RU	2X16	NO
QGPK3B440	2RU	2X16	YES
